RAINBOWS

The breaking splashing raindrops fall
In prisms to reflect it all,
They intermingle with the sun . . .
A perfect rainbow has begun.

It's nature's way of painting skies,
That we may see a vision rise
To fade away from where it came,
The power of sunshine and the rain.

Rainbows so rare I hope we see
The colors clear can't really be
Just a mirage of rain and sun
But promises of things to come.

Hello! I am your guide through the year of 1977-78. From football to baseball, the Cinderella, the Prom, the Senior Party, Commencement . . . we will review the fun, excitement and see everything again. If we are lucky, we may find a pot of gold. Turn the page and we'll begin!

Kay,
Is a really crazy and sweet girl I met in 10th grade. Stay the way you are and Good Luck always. RMA Pam

ADMINISTRATION

Mr. Robert P. McLuckey
PRINCIPAL

TO THE CLASS OF 1978
You have completed two years of education under the guidance of your teachers and parents. They have attempted to provide a liberal education for you. As you move toward other major goals in life, the choices will be your own. The direction will be self-determined.

In a world that is better, and in a world that provides more opportunities than ever before, your future can be bright.

It is our wish that you gain recognition for your deeds and accomplishments of the future, and that successes far exceed any accomplishments of the past.

FAREWELL TO SENIORS

Dear Seniors, your memories we will forever Cherish,
And we hope thoughts of us; you will never let perish

Pencils, paper, quizzes and more,
Were part of the past, those times we adored

The pep rallies, homework, report cards, the prom;
These memories once shared will never be gone

High School, Commencement and finally graduation day,
What the future holds, no one can say

And as you reminisce through the shadows of life,
Remember your smiles will sadly be missed

Remember, thoughts of you are constantly flowing,
The seniors we loved and were used to knowing

There have been good times, along with the bad,
So don't forget all the fun you once had

So now you've been caught by the passing of time,
Never to return, only looking behind

SENIOR COUNCIL

SENIOR CLASS OFFICERS: Pres. J. Mockabee, V.P. J. Kimmel, Sec. B. Welling, Treas. C. Salatino.

The Senior Council is an active organization composed of one senior from each homeroom. Every fall they organize the election of senior officers, where the entire senior class votes on a voting machine for the four officers, class royalty, and the class flower. They also plan the Senior Party, held April 28th, and the Senior Dinner, held on May 31st.

This year's Senior Class Play, directed by Mr. William Colvin, was another big success. This genuinely funny play was well directed and well rehearsed. The students who were chosen as the characters did a great job, and should be commended for the time and effort they put into it. The same can be said for everyone who worked back stage in the countless jobs there are behind the scenes of any production. All in all, it was a great experience, not only for those involved in the play, but also for those who came to see it.

Service to those who need it is an admirable trait, and those students who contribute their free time to be aides are very deserving of praise. These students give their study halls to work as aides in the different offices.

CHEMICAL RESEARCH

Every other Tuesday, classes are shortened in order to make room for an extra period. This activity period is used for either a study hall or a club meeting. If the students want to join a club, they may choose from a variety of different activities. From skiing to chess, from coin-collecting to gardening, even jogging or listening to stereo music, the choice of clubs is limited only by the interests of the students and the faculty who sponsor them. Together they succeed in making the school year enjoyable.

HOMECOMING

From November 10 to 14, Connellsville held their Homecoming Week. It was a magical time when everyone was anyone and anything — but themselves.

The masquerade began Monday, with Professional day, students came to school outfitted as doctors, nurses, and telephone linemen. The school was transformed into a barnyard on Tuesday, which was Farmer and Hillbilly Day. Moonshiners and cowpokes roamed the halls, and "Old McDonald" seemed to be the song of the day.

On Wednesday, Twin Day, the school paired off and coupled like cufflinks, each twosome attired in their own matching "creations." We took a jump backward into the past on Thursday, Old-Fashioned Day, where the school overflowed with bobby-soxers, Fonzies, and flappers — and a Scarlett O'Hara or two.

On Friday, Falcon fans dutifully dressed in blue and white and piled into the gym, where they bumped, boogied, and cheered, "We Love You, Joni!!!" as the 1977-78 Homecoming Queen was crowned. At the stadium that night, the football team fought the Norwin Knights and sentimental on-lookers fought back the tears as the queen and her court were escorted through a brilliant arch of blue and white banners.

Whether your fondest memory was of farmers or flappers, queens or clowns, this year's Homecoming was an event we will all remember with fondness for a lifetime.

The horse-drawn pumpkins were driven to the entrance and the ladies were escorted by their own favorite prince into the decorative ballroom.

A magical, enchanting evening was in store for all those who attended the Cinderella Ball on November 23, 1977. Throughout the night, the couples danced to the music of Sundown. Joyce Hoover was crowned as this year's Cinderella. As the evening came to a close, the ladies prepared to depart for fear of the clock striking twelve.

CHORAL DEPARTMENT

CONCERT CHOIR

Some may say that the quest for good music is an "Impossible Dream" at C.A.H.S., but once they hear our choruses they say it's "Glorious Everlasting"! The choral department includes the Concert Choir, Mixed Chorus, Sophomore Girls' Chorus, Sophomore Girls' Ensemble, and the Chamber Ensemble from the Concert Choir. The choirs and director, Merle Stutzman, present a minimum of two concerts eacy year. In addition, Concert Choir traveled to St. Peters Township High School for a choir festival and performed a number of times at Shadyside Presbyterian Church in Pittsburgh. The final appearance of the choirs was Thursday, May 5, 1978. The spring concert ended the year with a splash as the rain came down outside the auditorium. Senior choir members performed their last duties at the vespers service for the graduates.

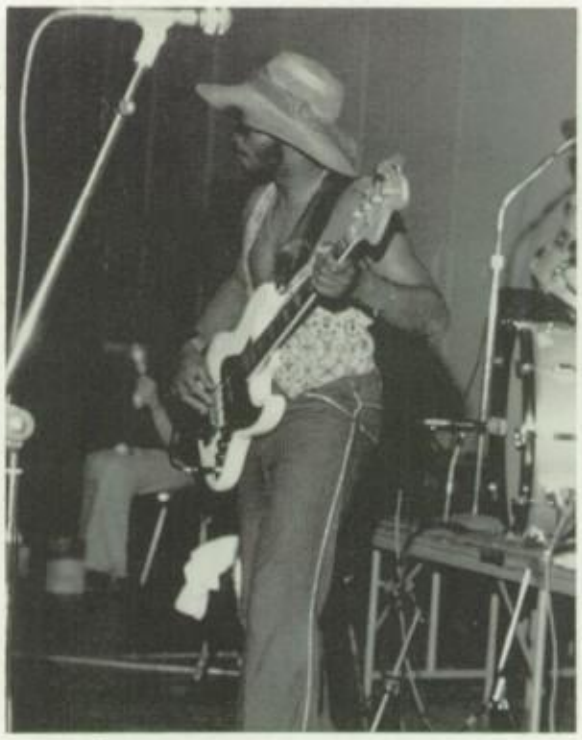
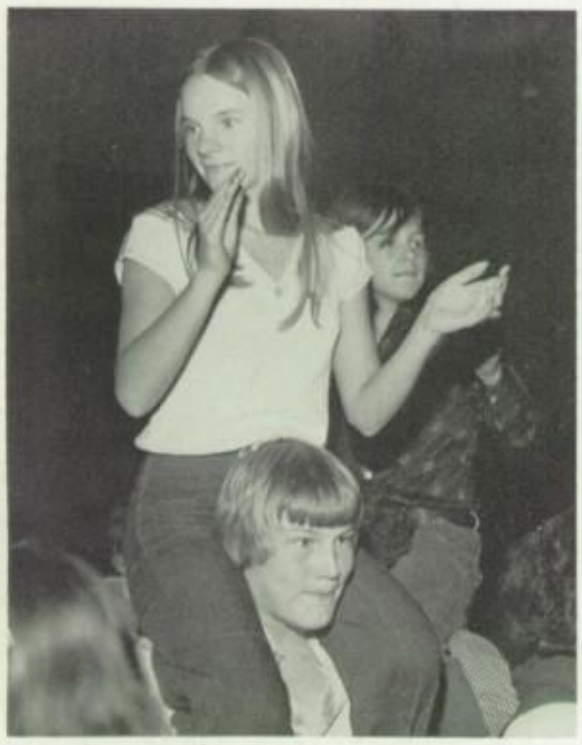
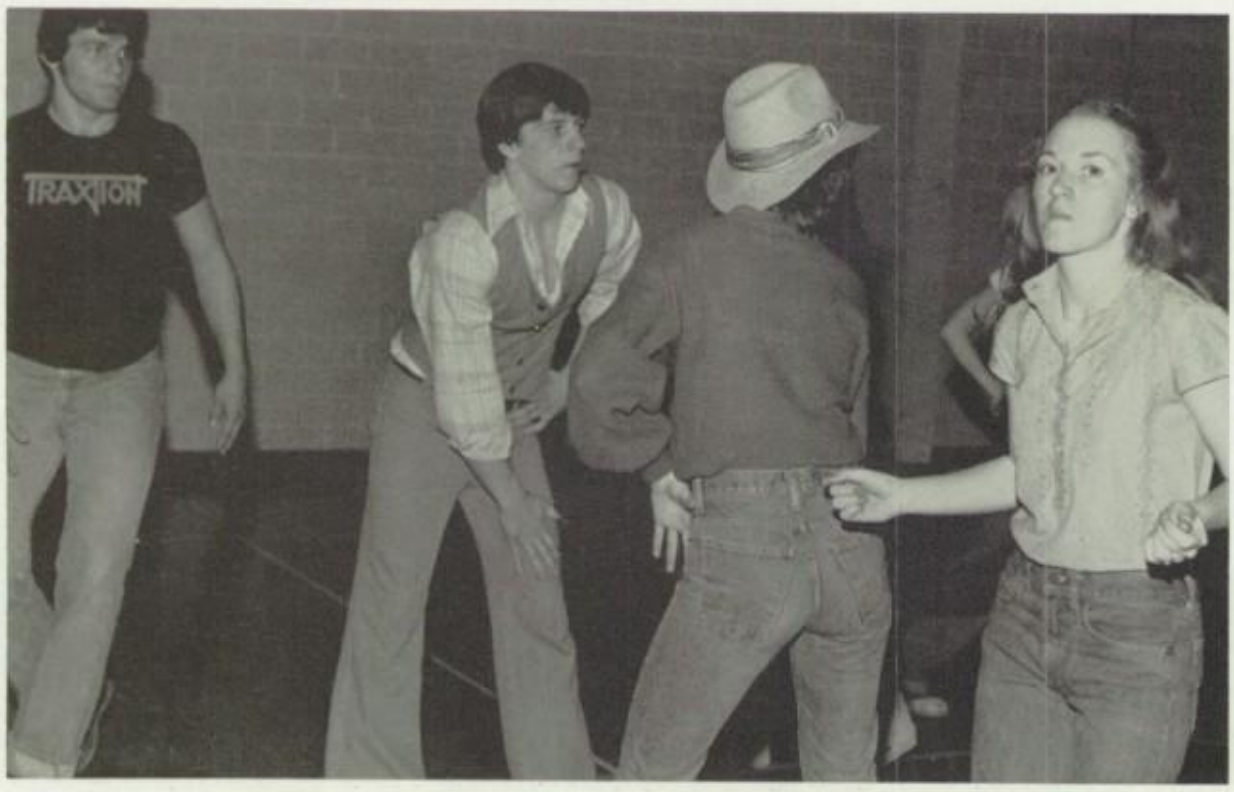
TRAXTION

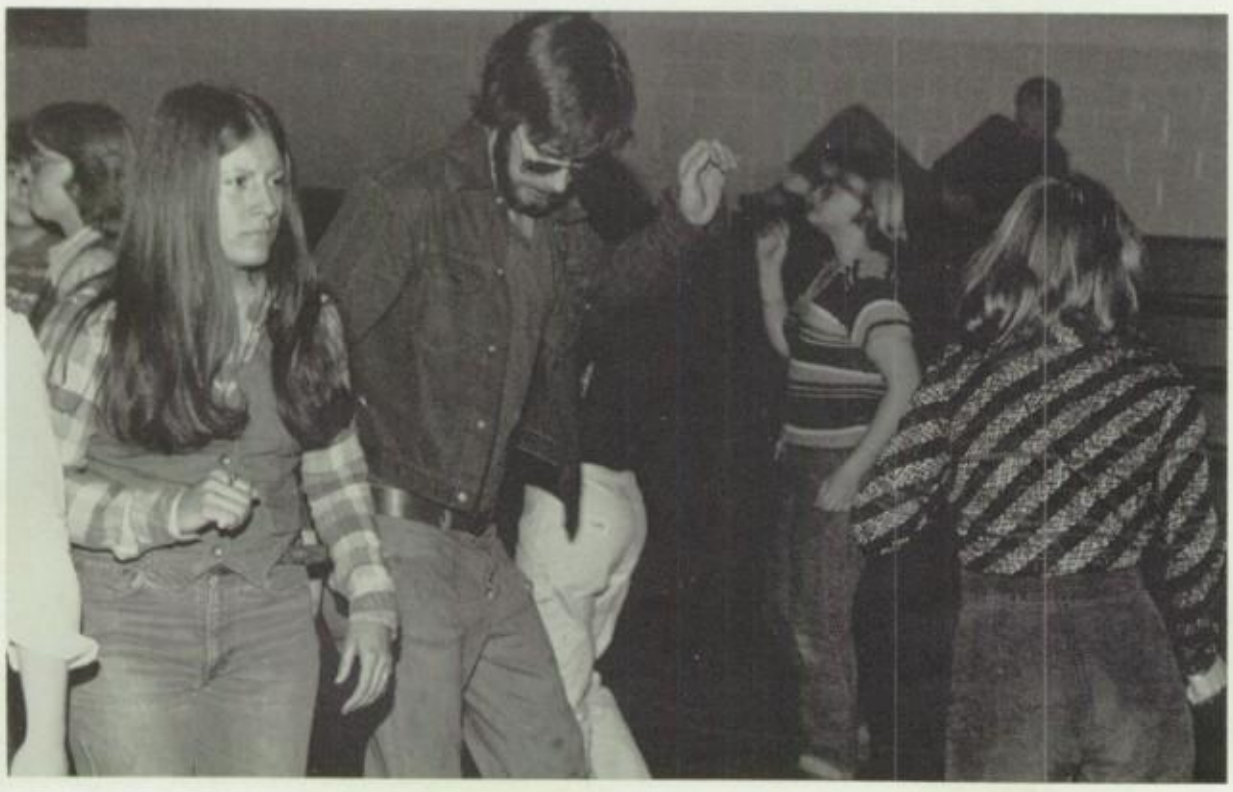
On the night of March 31st, the students of CAHS experienced something new in the way of dances. The Water Safety Club sponsored a dance in the form of a concert, with the music presented by the spectacular group called Traxtion. Named after the group, the dance was a big success, as hundreds of students turned out to dance and socialize. Thanks to Mr. Reidman and his club, a good time was enjoyed by all.







TRAXTION



FOREIGN AFFAIRS

The International Language Banquet was held on December 8, 1977, and the theme was "An European Holiday!" Upon arriving, each traveler received a passport which permitted him to enter through the festive arch into the European atmosphere. The coronation of the kings and queens took place shortly afterwards. Dina Nepa and Jan Stauffer as the Spanish royalty, Amy Miller and Ron Clelland as the French royalty, and Joni Imrich and Mike Basinger as the German royalty. The meal consisted of foods from different countries. Entertainment was presented by members of the language classes. There were many booths offering cookies, candies, stickers and other things for sale. The gala evening was brought to an end with breaking of the pinatas. The travelers then dispersed, taking with them colorful memories of an European holiday!

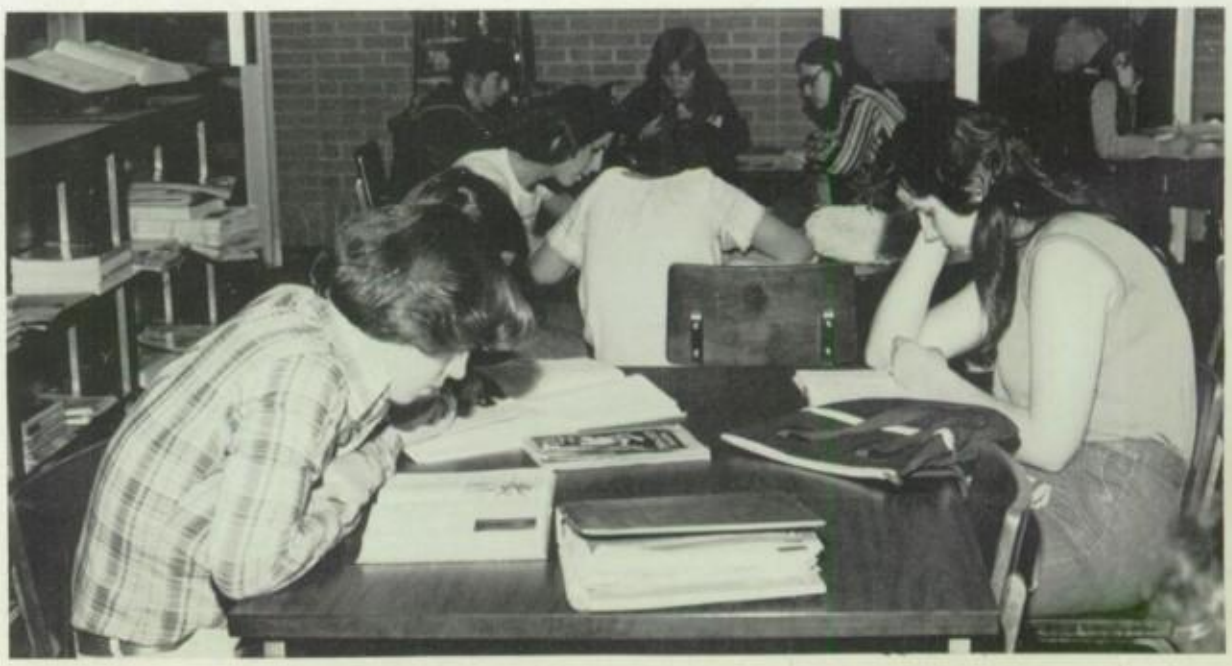
PRO-ATTITUDE

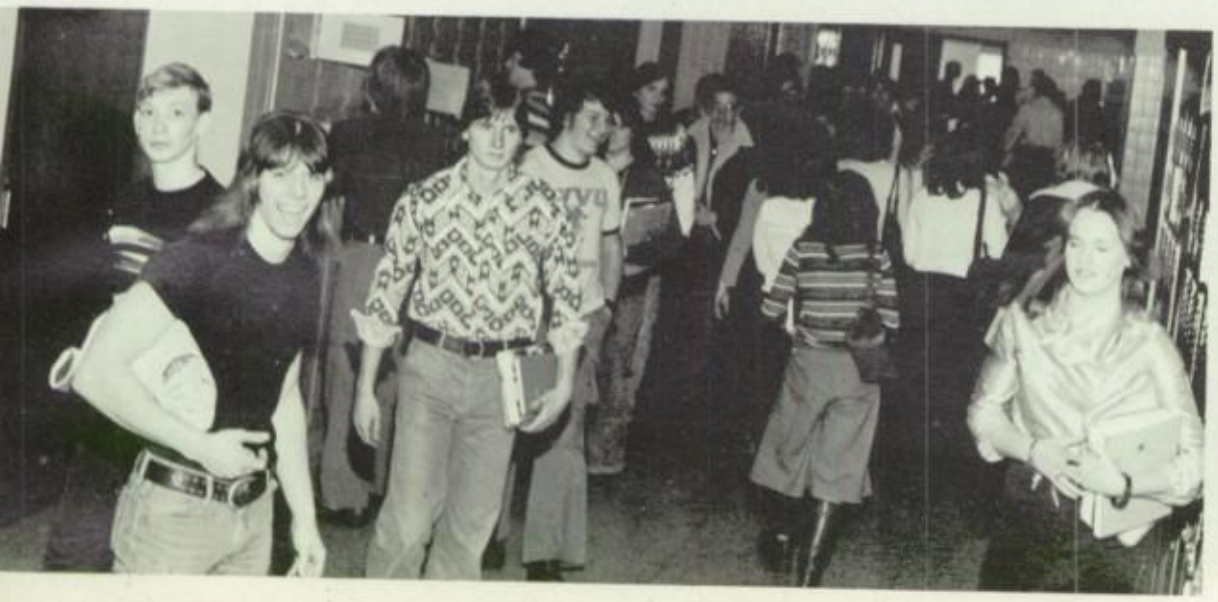
Pro-Attitude, an active club, is composed of members who are doing things all year to promote a greater school spirit. One of the major activities is the making and presenting of scrapbooks to seniors who participate in sports. One committee decorates the poles in the cafeteria recognizing members on sports teams, while another committee is responsible for making all the great signs in the gym. Thanks to Mary Benzio, a bonfire prior to the Homecoming football game was held this year at Benzio's farm. Pro-Attitude also sponsors the annual Homecoming festivities. Pro-Attitude is open to all grades and encourages students to join and help with all their activities.

DEBATE TEAM

Connellsville's Debate Team is definite proof that arguing can be profitable. Actually, debating **isn't** arguing — it is, according to the dictionary, "to discuss a topic between opposing parties in a formal and organized manner." This is what this year's team set out to accomplish. After hours of painstaking research, the team, assisted by Mr. Lohr, reached their desired goal: in February of this year, they set out for Harvard University of Massachusetts for a discourse on their topic, "Resolved that the Federal Government should guarantee comprehensive medical care to all citizens of the United States." In addition, the team was conducted on a tour of the New England States.

WHAT'S THIS?





STUDENT COUNCIL

Student Council is composed of one representative from each homeroom. The council sponsors activities that will be beneficial to the student body and the school. This year's activities included: a fund raising drive for Children's Hospital (this year over $2,800 was raised), ski trips that were a tremendous success, Blood Mobile Program in which students donated blood for the American Red Cross (this year 167 pints of blood were donated). The various committees perform such duties as arranging assemblies, helping to revise the cafeteria menu, and visiting other schools, I would like to thank Mr. Neighbors and the members of the Council, who have so graciously given their time in making this year's Council a success.

Sincerely,

Scott Slagle

THE WONDERFUL WORLD

For one night out of the entire school year students stepped out of their jeans and into gowns and tuxes and traveled to a make-believe world called Disneyland. The gym and cafeteria were transformed into the home of Snow White, Dumbo, Mickey Mouse, and all the Dwarves. The senior-junior prom took place May 19, 1978 with music by Twice as Nice. The evening began with a grand march of the couples in the auditorium and ended with the post-prom at Hardy's Pub. The evening with Disney showed that it was a "Wonderful World."

The 1977 football team displayed their Falcon spirit this season. Uniontown and Hempfield were knocked down by the mighty blue. For the first time in 15 years the Connellsville football squad beat a Kiski team.

The Penn Hills game had quite a few disappointments, including Alfie Soberdash's injury. However, the Falcons bounced back and completed a successful season. The 1977 football squad developed a strong team pride.

This was indeed a unique and rewarding season for the Falcon Golfers. The 1977-78 team was increased by many young golfers and a new coach. Our young people gained experience, both from playing in matches and from our graduating seniors. I would like to wish our seniors the best of luck, and to our underclassmen — continued success.

Keith Guard, Mgr., John Verbosky, Stanley Betters, Gene Cunningham, Brad Harshman, and Dan Gallo.

The 1977-78 basketball squad, competing in a very difficult section, gave the school its fifth winning season in a row, a school record. The squad was led by seniors Stan Betters, Gene Cunningham, Dan Gallo, Brad Harshamn, and John Verbosky. Leading the list of returners for next year will be Tim Riley. In spite of inexperience and lack of height, the Falcons finished with a very fine 14-9 record. Congratulations to the boys on a job well done.

Participating in a team sport often requires giving a great deal of oneself in order to succeed. However, this year's Girls' Volleyball Team found that this effort was not without its rewards. The girls did their share of spiking and serving, with terrific results: a record of seven wins and five losses, including four shut-outs. The team, coached by Pandy Shumar and Michael McGarrity, accomplished a great deal off the courts, also. Meetings at McDonald's, the long bus rides to and from the games, initiations — provided all with friendships and memories lasting long after the season's end.

Connellsville's Boys' Tennis Team, coached by Rodney Haines, not only served up an impressive season, but started a new sports tradition as well. Originated this year was the "Dirty Harry Award," a sewer-bred, bug-infested jungle of a tennis ball presented to the most outstanding player of each match. The team's ten members — and Harry — completed the year with a record of five wins, six losses, including four shut-outs — all prove that traditions — and the boys' racquets — are pretty powerful weapons.

The 1978 Wrestling Season was highlighted by three big wins. The first came at California in Dec. when we won the Xmas tournament team championship. Bobby Striner and Barry Bryner won individual championships. The second was a last minute dual match victory over the Post Gazette's 6th ranked Elizabeth Forward. The third win was the section team championship, won by the Falcons for the third consecutive year. This year's team continued the winning tradition in wrestling that has been established at Connellsville, and we will miss the leadership and pride that the seniors gave our team.

SENIORS

The 1977-78 Girls' Track team consisted of about 40 girls. This year's coaches are Don Carbonara and Virginia Garlick, and managers Nina Reese and Brenda Junk. Their record at the end of the season is 2 wins and 2 losses. The highest scorer is Connie Tremba with 42 points. Their Track Banquet was held at Amedios (Old Villa Nepa). The Senior girls were presented trophies and the highest scoring senior, junior, and sophomore also. The Senior is Betty Bonds, Junior, Connie Tremba and Sophomore Darleen Gallentine.

An athlete's life is not all glamour and the "thrill of victory," as the saying goes. Included with the excitement and the recognition is hard, back-breaking work — of which the Girls' Softball Team is an excellent example. Assisted by Coach Tom Riedman, the girls sold memo-boards to purchase equipment, sweated through grueling practice sessions, and weathered rain-outs. However, their efforts were not in vain. They finished the season with a three-and-six record, and were rewarded with a well-deserved moment of glamour: a banquet in their honor at Luigi's Italian Restaurant.

. . . SWEETEST KEEPSAKES

Poems are written at this time of year,
Of ends and beginnings, and memories held dear.
But what of the present, where we are now?
Stop and consider the "where" and the "how,"
Where are we standing right now in our life,
How did we get here — with peacefulness, or strife?
The pot of gold lies waiting for all,
But the number of those who reach it is small.
Those with desire, enthusiasm, and drive,
Will find their gold and keep dreams alive.
Memories are precious, remember the past,
The future is promising, to dreams hold fast.
But examine the present and take your stand
For what you believe and the respect you demand.

The journey through high school has a few difficult spots, but don't become discouraged. Remember, at the end of the rainbow there is a pot of gold.
